WHY APMS

# Enterprise experience. Delivery mindset.

### 01 Enterprise background

Our founders bring more than 20 years of experience building teams, selecting specialists and leading business-critical technology environments.

### 02 Careful selection

We consider technical experience, seniority, working model and fit with the delivery environment.

### 03 Flexible engagement

From one specialist to a complete project team, through short- or long-term engagement models.

## ENGAGEMENT MODELS

- Individual specialists
- Interim leadership
- Managed capacity
- Complete project teams
- Staff and team augmentation
- Service transition and transformation

## HOW WE WORK

1. **Clarify the need**
   Role, seniority, location, timing and engagement model.
2. **Select specialists**
   We screen and present profiles against the agreed requirements.
3. **Interview and decide**
   Together, we validate technical capability and team fit.
4. **Onboard and support**
   We stay engaged after onboarding and support successful delivery.
